Municipality To Submit Two Resolutions at Convention

The Council of the Municipal District of Mountain View No. 49 met in regular session on Monday, November 6, in the office at Didsbury, and Reeve Fox, Councillors Nidrie and Bagnall, and Secretary-Treasurer A. Brusco, were appointed delegates to attend the Municipal convention to be held in Calgary on November 22, 23 and 24.

The secretary-treasurer was instructed to prepare two resolutions to be submitted by delegates to the municipal convention. One that the federal government be asked to enact legislation to exempt municipalities from duty on road equipment, and the other that the municipalities be exempt from the eight per cent sales tax.

Approval was given to the granting of leases on road allowances to C.A. Foltzberger on Madden on the east of 28-28-3-5; to Lloyd P. Dolan of Cochrane on the east of 3-28-4-5, and to Amey & Sons of Crossfield on the east of 6-28-1-5.

The sum of \$100 was granted to

WALTHER LEAGUE MEETING

The Walther Leagues of Redeemer Lutheran Church assembled for their meeting on Tuesday, November 7, and the members began the study of the Gospel of St. Mark with Rev. Fox as discussion leader. Various reports pertaining to the League work were given.

There are at present some forty Leagues and friends enrolled in the Bible Reading League. The subscriptions for Christian literature is also progressing favorably. The members decided to gather in the church basement on Wednesday to rebuild a number of benches. Following the meeting, games were played, and the evening was brought to a close with lunch being served.

J. D. Thomas Elected D.D.G.M. District No. 4

Mr. J. D. Thomas, past master of King Hiram Lodge No. 21 A.F. & A.M. was elected to the office of District Deputy Grand Master of District No. 4, at the Masonic district meeting held at Oids on November 1st.

Roy Anderson, D.D.G.M., presided at the meetings in the afternoon and evening and at the dinner held a bounteous banquet was served by the Order of the Eastern Star, Oids. During the banquet S. Robinson accompanied by H. S. Ramsey at the piano, rendered two vocal selections, while Past Grand Master H.B. McDonald delivered a brief address on the work of masonry today.

The present Grand Master, LeRoy Bond gave the main address of the evening when he outlined the work of masonry in the individual and what results it should have. Tom Morris of Didsbury opened the discussion during the afternoon and Fred Jenner of Red Deer led off in the pros and cons of the discussion.

Worship Master George Parsons of Didsbury headed a strong delegation at the District Meeting and was accompanied by A. McInnes, Emerson Melgan, E. Wiggins, Ed Craig, H. Morgan, Reid Clarke, C. Leeson, E. Eubank, J.D. Thomas, A. Brusco and J. Riddick.

Funeral services for John Norman Paton, 73, who passed away in the Didsbury hospital on November 7, were held from Orme Funeral Home at Oids on Saturday, November 11, at 2 p.m. Rev. Black of Innisfail conducted the services and burial followed in the Eagle Hill cemetery.

LETTER TO THE EDITOR

District Schools Aid In Poppy Campaign

The Legion Poppy Campaign has been very well supported this year and on behalf of the Legion I wish to express thanks.

The proceeds from the Scout canvas was published last week and now we have a list of eight schools in the district that have sent in their contribution from the sale of poppies: Neapolis \$3.55; Jackson \$2.86; Mona \$5.95; Rosebud \$1.50; Gore \$5.50; Inverness \$1.00; Zella \$8.90; Springdale \$5.00. Total \$37.36.

As further contributions are received I shall acknowledge through The Pioneer.

The cause is well worthwhile and to the teachers and principals the Legion wishes to say thank you very much.

K. G. THIRING,
Chairman Legion Poppy Drive

JOHNNY HOLUB TO MANAGE DIDSBURY HOCKEY CLUB

At the meeting held in the Lions hall on Friday night, Nov. 10, to re-organize the Didsbury Senior Hockey Club, Johnny Holub was elected to manage the team this season. Other officers elected were: President, Geo. Wilkins; Vice President, Trev. Evans; Sec.-Treas., Len Desch; Executive member, Tate Fox.

Mrs. E. Krebs Entertains The Melvin Institute

The Melvin W. I. met Wednesday afternoon at the home of Mrs. E. Krebs. For roll call different types of pot holders were displayed on the hobby table.

Great regret was expressed at the coming departure of one of our members, Mrs. L. Wollen, and her duties as Social Service convener were taken over by Mrs. E. Krebs. The topic on Canadian Industries was presented by Mrs. R. Youngs who chose "Canadian Fisheries". Mrs. A. Schneidmiller gave an illuminating talk on wallpaper.

At the December meeting, held as usual at the Dupont home, roll call was the order of the evening. A delicious lunch was served by the hostess, ending another pleasant afternoon.

On Thursday afternoon Miss Olwyn Krebs, bride-elect of the month, was guest of honor at a shower at the home of Mrs. L. Chandler. About 25 guests were present and the afternoon was spent making dusters and pot holders for the bride. Mrs. Helen McCallin gave a humorous reading which was enjoyed by all. Olwyn received numerous lovely gifts for which she thanked her many friends. A delicious lunch was then served by the hostess.

On Saturday afternoon Mrs. H. Fischer entertained at a bridal shower in honor of Miss Olwyn Krebs, whose marriage takes place November 17. Games and contests provided the entertainment, after which the affair was a musical. Olwyn opened the many parcels, assisted by Miss Dorothy Smallwood, and thanked her friends for the lovely gifts. She invited all to visit her in her new home in the Peace River district, when they could take a long trip. At the close of the afternoon a delicious and bountiful lunch was served.

Miss Esther Schneidmiller of Calgary spent the weekend at her home here.

Mr. and Mrs. J. Schneidmiller and family were Sunday dinner guests at the home of Mr. and Mrs. V. Schneidmiller.

Mr. and Mrs. A. Geddes and family of Red Deer visited at the Dupont home over the weekend.

Mr. and Mrs. L. Chandler had as their weekend guests Marjorie of Calgary, Allan of Stettler, and Jay of Calgary, who were visiting at Aldridge.

Mr. and Mrs. Lester Krebs and Shirley, accompanied by Mr. and Mrs. Slager, were Sunday dinner guests at the home of Mrs. Brimley of Three Hills, where they celebrated the three wedding anniversaries.

Walter Youngs of Edmonton was home for a week's vacation, driving a new Plymouth.

PART OF CANADA'S Special Service Force, armed and ready for battle, are awaiting orders at Fort Lewis in the U.S. The soldiers, all volunteers destined to serve in United Nations duty, are waiting to process equipment while waiting for their assignment. Above for the first time in history, the Canadian flag flies over Fort Lewis. It will continue to fly until all of Canada's troops in the special brigade have been staged through to overseas bases. Here the flag is removed from the bivouac following the night's retreat by Col. Robert Land, chief of Regina, and Lieut. Victor Maranda, of Montreal and Kingston.

West Dids. Calf Club Organization Meeting

The organization meeting of the West Didsbury Beef Calf Club was held at the Rugby School on November 7, with 18 members present.

Mr. Hugh McPhail, District Agriculturist, gave a very interesting talk on club activities, reminding members of the "no horn rule". The following officers were elected: President, Gordon Robertson; Vice President, Howard Robertson; Secretary-Treasurer, Viola McNaughton.

The club leader is Mr. Jim Hughes and club directors are Mr. Alex Robertson, Mr. Alex Blain and Mr. Ed Klink.

The next meeting will be held at the Henry Luft home on December 2.

TOWN MEETING

Mayor H. Lynch-Staunton presided and Councillors Bowman, Gilson, Callaghan and Parsons were present at the regular meeting of the Council of the Town of Didsbury on Monday evening, November 6.

One lot east of the E. Hughes residence was sold to Mrs. Tully, who will move a house from the country and have it remodelled.

A building permit was issued to Les LeGrand to build a garage at the rear of his residence.

The secretary was instructed to request the Lion Oil Company to move their old warehouse off the Community Centre property.

Redeemer Ladies' Aid Collects Used Clothing

The regular meeting of Redeemer Ladies' Aid was held on Thursday, November 9. In the business session the Aid discussed their annual sale, which was held on November 10 and which netted \$175. A farewell party had been held for Mrs. Quast, who moved to Calgary, and the Pastor reported that the ten cartons of used clothing, totaling 320 pounds, had been sent to Canadian Lutheran World Relief for European relief. A lengthy discussion on a stove for the Ladies' Aid kitchen resulted in the members favoring an electric range rather than a propane stove. It was further decided to have a gift exchange at the December meeting. Mrs. Robina Meyer volunteered as sick convener for the month of December.

Following the business meeting Pastor Fox spoke on "Women Who Served Jesus." He indicated that women can also do a great deal for the work of the Lord and encouraged the Aid members to be faithful witnesses to their Savior. The meeting was closed with lunch.

Scarlet Fever Closes Schools at Cremona

Due to an outbreak of Scarlet Fever in this district the Cremona junior and high schools were closed for the week of October 30 and pupils 18 years and under were confined to their homes. No new cases were reported during the week and school reopened Monday Morning, November 6th. As a result of the outbreak there was no Halloween party on October 31, but on Tuesday evening, November 7, Halloween was held for the kiddies who went out for their usual treats.

The Cremona Sewing Circle held a very successful bazaar and tea in the Woodman Hall on Wednesday, October 18, with proceeds of \$146.50 going to the Cancer Fund. Tickets had been sold on a hand-crocheted afghan and matching cushion and Miss K. McLean held the lucky ticket for the afghan, while Mrs. Ernie Whitlow won the cushion.

Seven tables of whist were played in the Cremona High School on Wednesday evening, November 8, with Mrs. Kenneth Simpson winning first prize for the ladies and Mr. L. Lukas winning men's first. Consolation went to Mrs. Norman Eby and Mr. H. Pearce. A blanket and pillow for the school bed are to be given to the winner.

The Cremona Branch of the Canadian Legion sponsored a well-attended dance in the Cremona Community Hall on Friday evening, November 10, with the music supplied by Franklin's Orchestra. Mrs. Doris Dinsdale held the lucky ticket for a propane gas stove or money to its value.

Mr. and Mrs. Gordon Swart and family of Lundbreck were visitors for a few days this past week with Mr. and Mrs. Adam Leinweber and family.

Mrs. S. Schultz Sr. left recently to visit for some time with her mother at Brandon, Manitoba.

Born to Mr. and Mrs. Hugh Reid of Taber a son, Hugh, is the son of Mr. and Mrs. Chas. Reid of Cremona.

Mr. and Mrs. E. J. Knight and family of Calgary were Sunday afternoon guests with Mr. and Mrs. C. H. Waterstreet and family.

The sympathy of the district is extended to Mrs. Douglas Fraser on the death of her grandmother, Mrs. Anthony Sczygiel of Calgary.

Mr. Adam Reid, who is attending the Oids School of Agriculture, spent the weekend with his parents, Mr. and Mrs. E. Reid.

Miss Marie Aechan of Calgary spent the weekend with Mr. and Mrs. Vair Reid and took in the Legion dance.

WESTCOTT W.L. CHICKEN SUPPER POSTPONED TO NOVEMBER 22

Owing to the death of a very old timer of the district, Mr. C.C. Rinehart, the Westcott W.L. chicken supper and program was postponed and the new date is Wednesday, November 22, from 6 to 8 p.m. The event will be held in the basement of the Westcott Church and an ad hoc attraction for the kiddies will be a fish pond.

It is hoped that all who planned to attend the Westcott W.L. chicken supper previously, will still be able to be present on November 22.

Surprise Party For Mrs. V. L. Wollen

On Tuesday, November 7, Mrs. V. Wollen was surprised by the Springdale Ladies' Group when the members called to bid her good bye before leaving for Ft. St. John, where the Wollen family will make their future home.

A lovely afternoon was spent in a real old fashioned chit-chat with everyone enjoying themselves and a delicious lunch was served by the ladies.

A gift of money was presented to Mrs. Wollen along with the Group's best wishes and Mrs. Wollen thanked those present for their thoughtfulfulness.

Before leaving Mrs. Wollen handed in the group funds which will be looked after by Mrs. Dorothy Kershaw.

The group prize of the month was won by Mrs. Luella Taylor.

Trains travel faster than you think!

It is commonly supposed that in collisions between trains and motor vehicles at railway crossings it is the train which strikes the motor car. Reports to the Board of Transport Commissioners for Canada covering the 12-month period ended June 30 last, however, reveal that of the 415 accidents occurring in that period, nearly a quarter of them resulted from the motor vehicle—ranging from sleek sedans to modest farm trucks and even motor-

cycles—striking the side of the locomotive or train. Cases were reported in which the motor vehicle struck the train as far back as five cars behind the engine. One of the reasons for this apparent anomaly is the fact, well supported by scientific tests, that trains travel faster than the motorist, who can estimate within the few seconds allowed for him to determine whether or not he can safely make the crossing. It is safer to give the train the benefit of the doubt.

Improve 1878 Miles Of Alberta Highways.

Alberta is making improvements to 1878 miles of highways this year, according to information which officials of the Alberta Motor Association have received from the provincial department of public works.
The program includes 364 miles of asphalt surfacing, which will give Alberta a total of 1,150 miles when this year's program is completed.
The program also includes 656 miles of new grade and 58 miles of widening, along with 800 miles of graveling of main highways.
The public works department also plans to improve many of the 7500 wooden bridges over highways in the Athabasca, Devon and Beverly districts. During this year maintenance work on existing bridges cost the province \$1,960,000.
About 3,000 men are employed by the Alberta department of public works each year. In addition, thousands are employed by contractors on government projects.

DOWN ON THE FARM

Many people when talking about the prosperity of our country think almost entirely in terms of industry or business. It does not occur to them that industry and business cannot be prosperous unless all the other parts of our economy, particularly the farmers, are doing equally well.

Recent statistics published by the Bank of Canada provide some very interesting figures in regard to the farm prices of agricultural products and farm operating and living costs.

On the basis that 1935-1939 equal 100, prices of agricultural products rose from a low of 88.0 in 1935 to 91.8 in 1939, and 238.6 in January of this year. In the same period, farm operating and living costs increased from 97.9 in 1935 to 99.5 in 1939, and 175.3 at the beginning of this year.

Prosperity among farmers is a vital element in the prosperity of Canada. Prosperous farmers are good customers of manufacturers and their continued purchases of manufacturers' products provide jobs for many thousands of urban workers. Similarly, all manufacturers' purchases of farm products provide a great deal of purchasing power in a prosperous agricultural community.

Admittedly, farm prices are high now, but the urban industrial worker can hardly expect to maintain his present wage scale and deny his country counterpart a comparable return for a sunup to sundown effort.

A HOME FOR THE AGED

(Continued From Page 1)

Lord thy God giveth thee). Again in Lev. 20: 9: "For every one that curseth his father or mother shall surely be put to death." Neglect is a curse.

This letter is written as an opening discussion on the subject and herewith I invite comment, criticism and suggestions from citizens interested enough to take action. This is no longer a one man job; we wish to avoid going lopsided.

Following in the near future we wish to call a meeting of the appointed representatives of the different churches, groups and societies for a further discussion and plans to proceed with. Think it over and let us hear from you.

Several prospective inmates have expressed their willingness to donate whatever funds may be on hand when they pass on to the institution. Others have promised a handsome amount as a gift to what they consider a most Christian and democratic project.

In view of the County Act being under fire, the Municipal Council did not care to commit itself on the issue. The Chronic Hospital idea would have to be put before the ratepayers of the enlarged municipality. The Provincial Government likewise has set up an experiment of that type of undertaking to gain experience and information, which, as usual, takes several years.

By starting in on a small scale and being prepared to enlarge as the occasion calls for it, experience could be gained as time went on and any time the municipality wished to take over, a plebiscite could be held and provisions for a larger set-up applied. The important fact is to begin to act with a definite purpose to finish a real job.

CBC To Start Daily Broadcasts To Russia

The International Service of the Canadian Broadcasting Corporation will shortly start regular daily transmissions to Soviet Russia. This will add Russia to the two languages in which the International Service is now broadcasting daily.

These transmissions will add a Canadian contribution to the broadcasting into the USSR being carried on by the BBC and the Voice of America. Some adjustments in the program schedules of the International Service will be necessary, but it is felt that this new additional means of bringing information from the outside world to the people of Russia fully justifies the changes.

Notes From The D.A.

Recently I had an article in this paper about the feed value of low that is emphasized by the importance of calculation given by Rt. Hon. C. D. Howe, Minister of Trade and Commerce, in the 1950 crop.

2 Northern 25,000,000 bus.
3 Northern 55,000,000 bus.
4 Northern 99,000,000 bus.
5 Northern 60,000,000 bus.
3 & 6 Feed 124,000,000 bus.

Mr. Wilson, Field Crops Commissioner is urging farmers to keep the best for seed. It is good practice at any time to keep seed from the best locations, but when frost is known to have damaged grain, care in seed selection is particularly important. All seed should be tested for germination.

Oat seed will be more difficult to secure than either wheat or barley. With regard to wheat seed, the Canadian Wheat Board has a policy in effect under which wheat of inferior quality may be exchanged at the elevator for higher grade wheat for seed.

The following interesting items are taken from reports of the Dominion Department of Agriculture:

Frosted Flax May Kill Livestock

The Soil Research Laboratory at the Dominion Experimental Station at Swift Current has called attention to the fact that analysis of frosted flax, whether from the bolls and buds or from the stems and leaves, show that this material contains lethal amounts of hydrocyanic acid. If fed to animals it is liable to produce death within a few hours of feeding.

Probably the best precaution to take is to destroy unharvested flax before turning livestock into the fields.

Dairying Industry Aids Conservation

Dairying might be said to have started with the domestication of cattle some 10,000 years ago. There are many Biblical references to dairying practices such as cheese making by nomadic tribes as they roamed from pasture to pasture with their herds. Early in the dawn of history green pastures became the symbol of stability and the goal of security for mankind engaged in agricultural enterprises like dairying, which in combination with pastures, is recognized as being basic not only to sound agriculture, but aids in the conservation of the soil itself.

In Canada the first record of any attempt at dairying was over 300 years ago when Champlain brought to his settlement in Quebec the first domestic cattle to be permanently established in North America north of the Gulf of Mexico. As good pastures have always been a sign of a prosperous agriculture, so dairying represents permanency or the long-term view in farming and must necessarily be based on sound conservation practices to survive. Continued or long-term production of any of the main farm crops, grain, vegetables, etc., is only possible in a rotation in which pastures and hay are included.

One of the best known methods to control erosion is to cover the soil with a grass sod, which not only provides the dairyman with one of nature's best and cheapest foods, but builds up the soil at the same time. To operate successfully, most dairymen have found that it pays to keep a large proportion of their farm land seeded down to pasture and hay and this aids greatly in soil conservation. Well nourished crops give maximum food value for man and beast and are made possible from the organic matter and manures produced on the dairy farm, which also gives humanity one of its best foods—milk.

In many parts of Canada dairying is most stable source of income for Canadian farmers and more individual farmers derive an important part of their revenue from dairying than from any other type of farming. This should be good news for soil conservationists who are beginning to realize that soil conservation practices are usually to be found in a good dairying community.

TAXES EXCEED SPENDING
ON HIGHWAYS

The Bank of Canada estimates that provincial governments in 1950 will collect a total of \$185,000,000 in gasoline taxes and motor vehicle license fees, says an article in the current issue of the B-A Commentator. Total expenditures of the province for highways and other aids to transport in '50 will be \$109,500,000, which means that taxation of motor vehicles and their use will contribute \$85,500,000 towards other provincial expenditures.

Gasoline taxes now exceed over \$21,000,000 the total expenditures of the provinces in 1930.

Northern Messenger
Regulations Issued

Last week saw the resumption once more of the CBC Northern Messenger Service, which has been carrying messages—about 200 each week—to trappers and traders, missionaries and mounties, in the one and a half million square miles of the Canadian northland since 1933. Bernard Deaville, CBC producer who looks after the Northern Messenger broadcasts at Winnipeg, has once again issued the list of regulations governing these programs. The service, he notes, is only available for residents of the Northwest Territories and Canadian Arctic not in touch by regular means of communication such as airmail, telephone or telegraph. It operates as a weekly program during the winter season only, from the beginning of November to the end of March. There is no charge for the service.

Once again listeners are reminded that messages should be as brief as possible—not more than 25 words. They should be addressed to:

The Northern Messenger Service,
Canadian Broadcasting Corp.,
Winnipeg, Manitoba.

The name and address of the sender must be included with every message. Also, the name and location of the person to whom the message is addressed must be included with every message.

GRADING OF RED BOBS WHEAT
In December, 1948, the Board gave advance notice that on and after August 1, 1951, Red Spring Wheat of the Red Bobs variety will not be graded higher than No. 3 Manitoba Southern.

As producers will now be given consideration to their program for next year and making arrangements for their supplies of seed, it is desirable that they be reminded that any Red Bobs seeded next spring will be eligible for a grade higher than No. 3 Manitoba Northern when it is harvested.

CANADIAN CATTLE PURCHASED
FOR MEXICAN GOVERNMENT

Nineteen purebred cattle were purchased on behalf of the Mexican Government at the All-Canadian Holstein sale, held on October 23 in Toronto, seventy-one head of cattle were sold for \$76,150 at the sale, the highest price being \$6,000 for a seven months old bull.

The Chrysanthemum is the hardest flower known.

BOLIVIA BUYS CANADIAN WHEAT

Bolivia recently purchased approximately 370,000 bushels of No. 2 Northern wheat from Canada under terms of the International Wheat Agreement. Canadian sales of wheat to that country in 1949 amounted to 354,668 bushels. No Canadian wheat was sold to Bolivia prior to 1949.

M.V.B.C. NEWS

Readers are reminded that our Community Night School begins on Monday, November 20, at 7:30 p.m. Registration for the courses is in order during the week from November 13 to 18. Let us have a record attendance.

Rev. J. T. Hoskins motored to May City United Missionary Church on Sunday morning when he conducted the Communion Service in the absence of the District Superintendent. Rev. A. Frey, He was accompanied by Mrs. Hoskins and five of our high school boys. The boys furnished special music for the service. Mervin Trauth played a trumpet solo. He is studying trumpet with Mr. Wilson at the College. Ronald Hayne, Lowell Hackman, Harley Dyck and Ormond Sherick comprised a teen-age male quartet and Mrs. Hoskins played the piano for them.

The Rev. H. Mardock, who gave us many practical scriptural talks in chapel last week, left Monday for his home at Greenleaf, Idaho. On Monday morning Miss Marion Houslip, graduate of the Hillcrest Christian College (Evangelical United Brethren) at Medicine Hat, met us at chapel time. She has spent six months in the "Jungle Camp" in Mexico under the Wycliff Bible Translators, preparatory to entering Peru, S.A. as a full time missionary. She revealed to us the following startling facts: There are 2796 known languages in the world. Only 185 have the entire Bible in their languages, and 126 have the entire New Testament, while some of the rest have portions of the Scriptures. The majority have not as much as a word of the Bible in their native tongues.

Mr. Arthur Eby, who served as caretaker at M.V.B.C. for six years, is now with us as a student. He is enrolled in the Bachelor of Social Literature course. If the numerous ditches on our campus are an indication of the instalment of a sewer system, then we are going to have it. This will indeed add much to the convenience of our disposal needs. A quantity of milk, cakes, etc. was brought in by local friends during the week end Youth Fellowship Rally and we deeply appreciate these tokens of thoughtfulness. The benefits of the beef ring, mentioned in a previous issue, are really very satisfying these days. Do you know that a sizeable beef lasts about 4 or 5 weeks in supplying our family of approximately 60 healthy young people and faculty? Just now we are relishing the fine roasts, steaks, stews and hamburgers of the splendid critter donated by Mr. Russell Sherick. We are very grateful for this good meat.

Our laundry work was made easier by the addition of a new Westinghouse automatic featherweight iron, a new ironing board for the girls' hall, and a mangle. One of our interested local ladies gave us this very timely gift. Thank you. The first prayer meeting and partial organization of the Worldwide Gospel Messengers was held in the chapel on Monday, October 30, at 7:30 p.m. under the leadership of Miss Irene Megill.

FARM PRICE SUPPORT

The total cost of supporting farm prices under the Agricultural Prices Support Act has been about \$10,000,000 since the act was put into effect in 1945. This act provides a revolving fund of \$200,000,000 but only a small fraction of this amount has been used each year. Up to March 31 last, the cost had been

\$8,000,000 but it is understood that since that time the butter and cheese programs have cost another \$2,000,000, mostly for butter. In contrast, during the year ended last June 30, the United States government lost \$249 million in supporting farm prices. On that date it has \$3½ billion dollars invested in loans and inventories.

Bill Ross, manager of the Builders' Hardware store at Carbon, was a business visitor in town on Tuesday.

The weather turned a little colder Monday night and farmers have been having difficulty in finishing up the harvest. Most of the stock threshing has been completed at swathed grain has been slow in drying and it is estimated that about ten percent of the grain still is to be threshed in the Didsbury district. Tuesday skies were cloudy and snow flurries were in evidence. It looks as if our Indian summer is on the wane. Winter is just around the corner.

CARD OF THANKS

I wish to thank all those who sent flowers, cards and fruit, and who visited me while I was in hospital.

Don Garner Escapes Leduc Hotel Disaster

Don Garner, who is working with an oil company at Leduc, was one of the lucky persons to escape from the Leduc hotel explosion and fire last Saturday afternoon. Don was on the second floor of the building at the time of the blast, with four other employees in the company office. He remembers nothing till he was outside on the ground and does not know how he got there.

Three of Don's companions were hospitalized, but he and another companion escaped with only minor bruises.

Don Garner is the son of Mr. and Mrs. Jack Garner of Didsbury.

Following the explosion, said to be caused from leaking gas, the hotel burned to the ground with a loss of ten lives and 16 injured.

An ancient remedy for fever was to wash the water over the patient and on to a frog, to which the fever was supposed to pass.

Miss Shirley Frizzell Honored At Shower

Miss Shirley Frizzell, whose marriage takes place on November 18, was honored at a miscellaneous shower in the Cremona Legion hall on November 1st and approximately forty guests attended.

The shower was sponsored by the Cremona Women's Institute and Miss Frizzell received her many gifts under a decorated umbrella. She was assisted in unwrapping the presents by Miss Marie Simpson.

After a reading by Mrs. Schultz a dainty lunch was served by Mrs. W. Franklin, Mrs. Chas. Franklin, Mrs. N. Eby and Mrs. G. Johnston.
